CIS366 - Chapter 3 Single Table Queries Assignment

Date: September 25, 2026

Name: Jay Meesala

GitHub Repository:

https://github.com/shakoooni/MySQL_Ch3_SingleTableQueries

I worked on the Chapter 3 Single Table Queries assignment independently. I was sick while working on this project, which made it harder to focus and slowed my progress. I completed the queries and saved the output screenshots for the assignment.
